

Backup Loki-Minio Data into AWS S3

Configure AWS Credential:

```
aws configure
```

Show list of configuration

```
aws configure list
```

Check Bucket List on Loki-Minio

```
aws --endpoint-url http://<server-ip>:9000 s3 ls
```

Show Bucket Contents Recursively

```
aws --endpoint-url http://localhost:9000 s3 ls s3://chunks --recursive
```

Synchronize

```
aws s3 sync s3://<minio-endpoint>/loki-data s3://my-loki-backup --endpoint-url http://<minio-endpoint>
```
